TRIOTEIN HELPS YOUR BODY DEFEND ITSELF 活力精华加强身体自我防御能力

- Triotein is a high-quality, 99% lactose-free whey protein powder that provides the amino acids needed to stimulate the body's production of intracellular glutathione peroxidase (GSH) -- a naturally-occurring antioxidant that studies have shown to most likely be the most important molecule the body has for defense against toxins and the prevention of damage to cells.*

活力精华是高品质且不含乳糖的乳清蛋白粉, 可提供氨基酸的基本, 协助身体自行组成谷胱甘肽(GSH)--一种天然存在的抗氧化剂, 研究表明它最有可能是人体防御毒素和预防细胞损伤的最重要分子。*

- Supplemented with Vitamin D and added levels of 3 key amino acids, Triotein serves as an essential building block that can help boost immunity, protect against free radicals, and provide intracellular support.*
